Matt Kurtz | Kurtz Produce

Matt Kurtz joined his family business, Kurtz Produce, located in New Haven 8 years ago. The family has been in the business since 1872! A lot has happened since then.

Many of you might know them as the "Kurtz Pumpkin Patch" but they are more than just that. Open 3 seasons of the year, they offer fresh vegetables in summer, pumpkins & seasonal decor in the fall, and fresh cut & live potted Christmas trees during the Holidays.
